

**DOP District Governors Bulletin**  
**El Camino Real District 20, May 2021**  
**Adrienne Robas Bell District Governor**

Greetings Sisters,

Hristos Anesti! I hope you all had a blessed and happy holiday with family and friends. It was so wonderful to gather with family again. As you are aware our District Convention exclusively via Zoom will be held June 19. In order to facilitate matters for a one day only convention this is how we will proceed. Please send in your delegate roster in no later than June. Committee reports should be submitted by June 12. Please note that we have a new delegate registration form which is posted on our website. It may be emailed to the District at *DOPDistrictLodge20@gmail.com*. We then request that a check for \$5.00 made out to DOP District Lodge 20 be mailed to our Treasurer Martha Dratsiotis. The registration fee is to cover the cost of the mailing of a registration packet to the delegates and the meet and greet the evening of June 18, also exclusively via Zoom. Please be sure to indicate on the registration form which committee you would like to serve on. Committee chairpersons have been selected and they will contact you and set up a Zoom committee meeting. We request that all committee reports be submitted to our District Secretary no later than June 12. They can be emailed to the District at the same email address as the registration form. If any of you are interested in running for district office, please email as to your interest.

At this point I would like to thank all chapters, their officers and members for their support of both myself and the District Lodge through what has been a difficult time for all of us. It has been truly an honor to serve as your District Governor these past two years. My only regret is that the pandemic didn't allow for in person visitations to meet with you and enjoy the fellowship that comes with them. As a sidebar I would like to share some enjoyable reading that I discovered during the lockdown. If you enjoy a good murder mystery with a Greek culture influence I would recommend three books by Susannah Hardy. They are in order, Feta Attraction, Olive and Let Die, and A Killer Kebab. I'm looking forward to seeing you at our Zoom District activities June 18 and June 19.

Love in Theta Pi,

Adrienne
