

DOP District Governors Bulletin El Camino Real District 20 April 2021  
Adrienne Robas Bell District Governor

District 20 Daughters of Penelope held its first Zoom Mid-Winter Conference February 6 2021. Besides the many members present, the conference was also attended by Grand President Celia Kachmarski and Grand Governor Beverly Kennedy from the Grand Lodge. They both addressed the conference and provided timely information and updates. Guest speaker Kassandra Bell made a presentation to the group about the SOFIA project of NASA. The video will soon be posted on the website after some editing.

Looking ahead, District 22 is sponsoring the Sisterhood Conference via Zoom on May 19. I've already forwarded the information to all the chapter presidents for them to send to their members. Save the date if you can, details will be posted when available.

The District 20 District 20 convention will be held via Zoom on June 19. Details will be sent out as preparations are made. We will have the distinction of having our first District Convention for District 20 entirely on Zoom. Various members have been contacted to become committee chairs. When the registration information is sent the delegates will be able to select the committee that they would like to serve on. The Committee chairs will then contact them and set up a Zoom committee meeting and prepare a report. The reports will then be presented at the District Convention. In this manner all business can be conducted in one day. The AHEPANS are holding their Convention as a dual platform one, both in person and via Zoom But our Convention will be entirely on Zoom. We are also going to provide a Zoom meet and greet on the evening of June 18 for the delegates. This

will give us an opportunity to renew old acquaintance and make new ones. Let's make every effort for all members to participate as we come together virtually,

A reminder to all the deadline for submissions to Penelope's Scroll is May 15. And District obligations are due May 31. The District Lodge and I would like to wish you all a blessed, peaceful and happy Pascha.

With love in Theta Pi,

Adrienne
